SAVE FOR YOUR DAUGHTER'S SAFE AND SECURE FUTURE WITH BBG'S PLOTS

Towards Safe & Secure Future

BBG is an award-winning, plotted land development firm and one of the fastest growing real estate companies. With over a decade in operations, BBG today has over one lakh customers and has successfully completed over 200 plotted land development projects across Shadnagar, Sadashivpet, Yadadri, Visakhapatnam, Srikakulam, Vizianagaram, Vijayawada, Rajahmundry, Tirupati and other prominent locations in the states of Telangana and Andhra Pradesh.

A firm believer in the ideals of the Father of the Nation, Mahatma Gandhi, who believed that that businesses should exist as part of a healthy community in order to serve that community, BBG provides its customers an ideal opportunity to make safe and secure long-term savings by owning a piece of land and thereby create, true, long-term wealth for their families.

Apart from helping create "True Wealth" for its customers, BBG has an unwavering commitment to enable and empower the "girl child." Enshrining the ideals of Mahatma Gandhi, who visualized a fundamental role for women as instruments of social change, BBG is enabling and empowering over 40,000 girls in over 100 primary schools across Telangana and Andhra Pradesh.

Our Sole (Soul) Purpose

Our sole purpose of existence, by 2040, is to empower 2 million Girl Children (Bangaru Talli). We intend doing it by either making them plot owners for the ones who can afford to buy or supporting primary education, by apportioning a part of our profits, for the ones who cannot afford to buy. Our intent is to inculcate in them the desire to play a leading role in their families, society and nation building.
